Dear Sir
I note to the Inspector
at Toronto asking person
to appoint a lady
that keeps a store just
in the adjoining lot to the
Post Office - to be my assist-
ant and move the Post
Office to the store as it
would be more convenient
for the public than it is in
a private house as the
store has been lately started
it would oblige me very
much if you would permit
the change I would still
remain responsible for the
management of the office.

until there might be
some other change by
complying with this
request you will confer
a great favour on me
I am Sir your obedient
servant
